“When we apply ourselves, we achieve great heights.”
College Credit Plus

- More options for students
- Cost effective way of earning credits
- More funds for our schools to implement the program
Student Driven Program

- For college-ready students in grades 7 – 12
- Replaces PSEO and all other dual enrollment programs
Credit Hours

- Up to 30 college credit hours per academic year.

- No more than 120 college credit hours while in the program.
Role of the District/College Agreement

- Agreement is required for alternative payment structure
- Student may choose a college which does not have an agreement with the district.
Books and Fees

Students attending a public college do not pay for either books or fees.

Students attending a private college may have a cost that includes books and fees.

“When we apply ourselves, we achieve great heights.”
Students can choose any course at a public (or participating private) college.
Not Only for Juniors and Seniors

- Students have options
- Pathways are a tool for high school counselors
Pathways

A pathway may:

- Be organized by a major or career path
- Include various core courses required for a degree or professional certification by the college
- A pathway does not keep a student from choosing different courses.
What are some of the scenarios when a student may use College Credit Plus?
The student has taken all courses your school offers in a particular subject.

The student has taken all the courses they need to graduate and is ready to begin college work.

The student wants to experience what college-level work is like.
Ways to earn CCP credits
