

Collaborating for Success:

How to connect your child's education to real life & success through career exploration

You are invited to a **FREE**
Regional Career Exploration Workshop
for middle schoolers and their parents.

At this workshop:

- Parents will learn tips and resources to help teens explore their career interests and set career goals.
- Students will take career interest surveys and learn to interpret the results to help set goals for high school, college, and success.

Get a Head Start!

Being successful in college and in life isn't an accident.

It takes thought, research, and planning.

Know what you want and be prepared!!

Planning now will put you on the path to success.
